BE A PART OF HISTORY

Freedom holds a special place in the hearts of people from all over the world.

The Havasu Memorial Walkway is a commemorative paver path that begins at the World Famous London Bridge, located in beautiful Lake Havasu City, Arizona. The walkway winds along the scenic, landscaped, Bridgewater Channel.

Your commemorative paver becomes a lifelong reminder of your most treasured moments. And, by sponsoring a paver, you are providing a lasting memory for future generations to enjoy.

- You can personalize your paver to contain your name, hometown and state.
- Honor a veteran, someone special or a family.
- Give thanks to someone special or to an organization.
- Memorialize a paver with a special date, such as a wedding, birthday or anniversary.
- · Each engraved paver comes with a frameable color photo.

76 MOMENTS OF FREEDOM

The Havasu Memorial Walkway includes a series of pavers recording Historical Freedoms in America. The Freedoms Americans enjoy have come at a heavy price. America's Freedoms have been achieved by both conflict and the democratic process. The Havasu Memorial Walkway identifies some of these Freedoms along the path as the "76 Moments of Freedom".

The Havasu Freedom Foundation has developed a series of essay contests that are open to all Lake Havasu City students. These essay contests are announced and judged. The winning essays will forever be engraved as one of the "76 Moments of Freedom" markers along the Havasu Memorial Walkway with the students' name and school.

Walking along the Havasu Memorial Walkway gives one a sense of understanding, pride and patriotism. It's a walk through history, present time and, of course, the future.
